

Table of Contents

Foreword	iii
Public Submission Summary	iv
The Carers of Everything	1
Vision	5
Executive Summary	6
Section 1 Introduction	9
1.1 Purpose of the Strategy	9
1.2 Natural Resource Management	10
1.3 Strategy Development	18
1.3.1 Guiding Principles	18
1.3.2 Community and Stakeholder Engagement	20
1.4 The Swan Region	24
1.4.1 Biophysical Features.....	25
1.4.2 Socio-Economic Profile	31
Section 2 Threatening Processes	41
2.1 Introduction	41
2.2 Identification of Threatening Processes	42
2.2.1 Population Growth and Urbanisation	42
2.2.2 Limited Knowledge and Awareness	43
2.2.3 Unsustainable Resource Use and Inappropriate Management Practices	44
2.2.4 Incompatible Planning and Development	47
Section 3 Regional Assets	51
3.1 Introduction	51
3.2 Land	53
3.2.1 Resource Description	53
3.2.2 Resource Condition.....	55
3.2.3 Issues and Pressures.....	58
3.2.4 Current Response	60
3.2.5 NRM Strategy Response.....	64
3.2.6 Trade-offs	64
3.3 Water	67
3.3.1 Resource Description	67
3.3.2 Resource Condition.....	74
3.3.3 Issues and Pressures	78
3.3.4 Current Response	83
3.3.5 NRM Strategy Response.....	89
3.3.6 Trade-offs	90
3.4 Biodiversity	93
3.4.1 Resource Description	93
3.4.2 Resource Condition.....	99
3.4.3 Issues and Pressures.....	103
3.4.4 Current Response	106
3.4.5 NRM Strategy Response	111
3.4.6 Trade-offs	113

3.5 Coastal and Marine	115
3.5.1 Resource Description	115
3.5.2 Resource Condition	116
3.5.3 Issues and Pressures	122
3.5.4 Current Response	124
3.5.5 NRM Strategy Response	127
3.5.6 Trade-offs	130
3.6 Air	133
3.6.1 Resource Description	133
3.6.2 Resource Condition	133
3.6.3 Issues and Pressures	134
3.6.4 Current Response	135
3.6.5 NRM Strategy Response.....	135
3.6.6 Trade-offs	136
3.7 Cultural Heritage	137
3.7.1 Resource Description	137
3.7.2 Resource Condition	139
3.7.3 Issues and Pressures	141
3.7.4 Current Response	141
3.7.5 NRM Strategy Response.....	143
3.7.6 Trade-offs	144
3.8 Regional Capacity	145
3.8.1 Resource Description	145
3.8.2 Resource Condition	147
3.8.3 Issues and Pressures	148
3.8.4 Current Response	149
3.8.5 NRM Strategy Response.....	150
3.8.6 Trade-offs	151
 Section 4 Targets	 153
4.1 Introduction	153
4.2 Target Setting	154
4.2.1 Partnerships	157
4.2.2 Roles and Responsibilities	157
4.3 Targets	158
4.3.1 Land	158
4.3.2 Water	161
4.3.3 Biodiversity	168
4.3.4 Coastal and Marine	172
4.3.5 Air	176
4.3.6 Cultural Heritage	177
4.3.7 Regional Capacity	178
 Section 5 Regional Priorities	 179
5.1 Introduction	179
5.2 Prioritisation	179
5.3 Integration	187
 Section 6 Implementation.....	 189
6.1 Introduction	189
6.2 Roles and Responsibilities	189
6.3 Monitoring and Evaluation.....	190
6.4 Partnerships	194
6.5 Investment Plan	195
6.6 Regional Delivery Programs	197

Acknowledgments	199
Glossary.....	201
Acronyms	207
References.....	209

Figures

Figure 1: The Swan Region including Local Government boundaries.....	13
Figure 2: Natural Heritage Trust regions.....	17
Figure 3: Major landform units of the Swan Region.....	27

Appendices – provided on CD ROM

Appendix 1:	National Guidelines for the Accreditation of Integrated Catchment/Regional Natural Resource Management Plans
Appendix 2:	Key Stakeholders in the Swan Region
Appendix 3:	A Sample of NRM related documents for Local Government and Community (Non-Government) Organisations
Appendix 4:	Key Legislation
Appendix 5:	Swan Catchment Council Membership Model
Appendix 6:	Swan Catchment Council Community and Stakeholder Engagement
Appendix 7:	Community Consultation Workshops
Appendix 8:	Major Landform Elements in the Swan Region
Appendix 9:	Water Sensitive Design Principles
Appendix 10:	Avon-Upper Swan Region Memorandum of Understanding
Appendix 11:	Remnant native vegetation and security of tenure in the Swan Region
Appendix 12:	Threatened fauna species in Swan NRM Region as at 29 June 2003
Appendix 13:	Declared rare (threatened) flora in Swan NRM Region as at 29 May 2003
Appendix 14:	Threatened Ecological Communities in Swan NRM Region as at 17 July 2003
Appendix 15:	NEPM Ambient Air Quality Standards
Appendix 16:	The Perth Air Quality Management Plan 12 Initiatives and Programs
Appendix 17:	Australian Government EA/ERIN Environmental Reporting System – Natural Resource Management Information Set for the Swan Region
Appendix 18:	Swan Region Employment Structure and Mapping the Catchments process
Appendix 19:	Target Setting and Prioritisation Process
